**WHEREAS**, to encourage that redevelopment, the Village, pursuant to Ordinance No. 2018-13, adopted by Council on December 3, 2018, and affirmed in Resolution No. 17-2019, adopted by Council on April 1, 2019 (collectively, the “CRA Legislation”), established the area specified in the CRA Legislation as the Commercial Point Community Reinvestment Area No. 1 (the “CRA”) under the authority of Ohio Revised Code (“R.C.”) Sections 3735.65 through 3735.70 (the “CRA Act”); and

**WHEREAS**, pursuant to the CRA Legislation and the CRA Act, the Village and K-Nova LLC (the “Developer”) desire to execute a Community Reinvestment Area Agreement (the “CRA Agreement,” substantially in the form attached hereto as Exhibit A and incorporated herein by reference) in connection with the development by the Developer of multiple class A industrial warehouse/distribution, logistics and/or manufacturing buildings together with related site improvements (the “Project,” as further described in the CRA Agreement) on certain land owned by or to be owned by the Developer in the Village (the “Project Site”), which Project Site is described in Exhibit A to the CRA Agreement; and

**WHEREAS**, the CRA Agreement will provide Developer with a fifteen (15) year, 100% real property tax exemption for the assessed value of each new structure constructed at the Project Site and a fifteen (15) year, 100% real property tax exemption for each increase in assessed value attributable to remodeling at the Project Site; and

## COMMUNITY REINVESTMENT AREA AGREEMENT

This Community Reinvestment Area Agreement (this “Agreement”) is made and entered into by and among the VILLAGE OF COMMERCIAL POINT (the “Village”), a municipal corporation in the State of Ohio (the “State”), through the Village of Commercial Point Village Council (the “Council”) and K-NOVA LLC, an Ohio limited liability company with an office located at 700 Home Avenue, Akron, Ohio 44310 (the “Developer”).

### WITNESSETH:

**WHEREAS**, the Village desires to pursue all reasonable and legitimate incentive measures to assist, encourage and stimulate development in specific areas of the Village and Pickaway County (the “County”) that have not enjoyed sufficient reinvestment from remodeling or new construction; and

**WHEREAS**, the Village, by Ordinance No. 2018-13, adopted by the Council on December 3, 2018, and affirmed by the Council in Resolution No. 17-2019 on April 1, 2019 (collectively, the “CRA Legislation”), designated the area specified in the CRA Legislation as the Commercial Point Community Reinvestment Area No. 1 (the “CRA”) pursuant to Ohio Revised Code (“R.C.”) Sections 3735.65 through 3735.70 (the “CRA Act”), and authorized a real property tax exemption for the construction of new structures and the remodeling of existing structures in the CRA in accordance with the CRA Act; and

**WHEREAS**, the Developer has acquired the real property located within the Village and the CRA, as described in Exhibit A attached hereto (the “Project Site”); and

**WHEREAS**, the Developer has submitted to the Village an application for a community reinvestment area agreement (the “Application”), a copy of which is attached hereto as Exhibit B; and

**WHEREAS**, the Developer proposes to establish on the Project Site multiple class A industrial warehouse/distribution, logistics and/or manufacturing buildings together with related site improvements, as described in the Application (collectively, the “Project”) (each individual building within the Project, with its related site improvements, may be referred to hereinafter from time to time as a “Building”), provided that the appropriate development incentives are available to support the economic viability of the Project; and

**WHEREAS**, the Developer intends to expand its operations to additional Buildings on the Project Site and/or transfer applicable portions of the Project Site or parts thereof to one or more transferees by lease, sale and/or other means of transfer (the Developer and such transferees other than by lease, together with any successors and assigns, collectively or singly, as the context requires, may be referred to hereinafter from time to time as an “Owner” or the “Owners”); each such transfer other than by lease may be made pursuant to a certain assignment and assumption agreement as described more fully in Section 16 hereof in order to bind each Owner to and under this Agreement; and

**WHEREAS**, the Developer has remitted or shall remit with the Application the required State of Ohio application fee of \$750.00, made payable to the Ohio Development Services Agency, to be forwarded with this Agreement, and has paid any applicable local fees; and

**WHEREAS**, pursuant to R.C. Section 3735.67(A) and in conformance with the format required under R.C. Section 3735.671(B), the Village and the Developer desire to formalize their agreement with respect to matters hereinafter contained; and

**WHEREAS**, the Project Site is located in the Teays Valley Local School District (the "Local School District") and the Eastland-Fairfield Career & Technical School District, and the board of education of each school district has been notified of the proposed approval of this Agreement in accordance with R.C. Sections 3735.671 and 5709.83, or has waived such notice, and has been given a copy of the Application and a draft of this Agreement; and

**WHEREAS**, pursuant to R.C. Section 3735.671, the Board of Education of the Local School District has (i) approved the terms of this Agreement, including the one hundred percent (100%) real property tax exemption for fifteen (15) years in return for payments to be made to the School District pursuant to a Compensation Agreement between the Developer and the School District; (ii) waived its rights to receive the forty-five (45) day and fourteen (14) day notices under R.C. Sections 3735.67 and 5709.83; (iii) waived the application of R.C. Sections 5709.82(C) and (D) to this Agreement; and (iv) consented to the approval and execution of this Agreement; and

**WHEREAS**, the Council, by Ordinance No. 2019-15, adopted on October 21, 2019, has approved the terms of this Agreement and authorized its execution on behalf of the Village; and

**WHEREAS**, the parties recognize that the exact legal and financing structure used by the Owners in developing, equipping and operating the Project may include additional legal entities and may evolve prior to and during the operation of the Project;

**NOW, THEREFORE**, in consideration of the mutual covenants hereinafter contained and the benefit to be derived by the parties from the execution hereof, the receipt and sufficiency of which are hereby acknowledged, the parties herein agree as follows:

**1. Project.** The cost of the investments to be made in connection with the Project by the Owners is estimated to equal or exceed \$50,000,000 for construction of new Buildings (exclusive of any amounts for acquisition of machinery and equipment, furniture and fixtures, and inventory) with each such Building expecting to contain approximately 100,000 to 1,000,000 square feet and with the total Project to comprise approximately 2,000,000 to 8,000,000 square feet or more. There are no existing commercial buildings at the Project Site. The estimates provided in this Section are good faith estimates provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement. The parties recognize that the costs associated with the Project may increase or decrease

significantly. The parties also recognize that costs do not necessarily equal otherwise taxable value.

**2. Values of Personal Property.** The value for Ohio personal property tax purposes of the non-inventory personal property of the Developer that is located at another location in Ohio prior to the execution of this Agreement and that is to be relocated from that location to the Project Site is \$0. The value for Ohio personal property tax purposes of the non-inventory personal property of the Developer located at the Project Site prior to the execution of this Agreement is \$0. The average value for Ohio personal property tax purposes of the inventory of the Developer held at another location in Ohio prior to the execution of this Agreement and to be relocated from that location to the Project Site is \$0. The average value for Ohio personal property tax purposes of the inventory of the Developer at the Project Site prior to the execution of this Agreement is \$0.

**3. Project Schedule.** The scheduled estimated starting month for the Project investments to made in building, machinery, equipment, furniture, fixtures and/or inventory is approximately March 1, 2020; and the scheduled estimated completion month for such investments is no later than approximately December 31, 2040. The estimates provided in this Section are good faith estimates provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement, other than as those tax exemptions are limited in Sections 6 of this Agreement.

**4. Employee Positions.** The Owners estimate that there will be created at the Project Site, cumulatively, approximately 500 to 1,000 full-time permanent employee positions with an aggregate annual payroll of approximately \$17,000,000.00 to \$35,000,000.00 upon full build-out of the Project and 0 part-time or temporary positions. Hiring of such employees is estimated to commence in 2021 and to continue incrementally over the succeeding 10-20 years. Currently, the Owners have 0 employees at the Project Site; therefore, no employee positions will be retained by the Owners in connection with the Project. The Developer has 0 employees in Ohio. The estimates provided in this Section 4 are good faith estimates provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement. The parties recognize that the employment and payroll estimates associated with the Project may increase or decrease. The parties also recognize that it is anticipated that all employees at the Project Site will be hired by Owners other than the Developer.

**5. Provision of Information.** Each Owner shall provide to the proper tax incentive review council (the "TIRC") any information reasonably required by the TIRC to evaluate the compliance of such Owner with the Agreement, including returns or annual reports of such Owner filed pursuant to R.C. Section 5711.02 (if any) if requested by the TIRC.

**6. Real Property Tax Exemption.** The Village hereby grants a fifteen (15) year, 100% real property tax exemption pursuant to R.C. Section 3735.67 for the assessed value of new structures at the Project Site and a fifteen (15) year, 100% real property tax exemption pursuant to R.C. Section 3735.67 for the increase in the assessed value attributable to remodeling at the Project Site. For each separately identifiable real property improvement, the exemption commences the first year such real property improvement would first be taxable were that property not hereby exempted from taxation. No exemption shall commence after tax year 2040 (i.e., tax lien date January 1, 2040) nor extend beyond tax year 2054 (i.e., tax lien date January 1, 2054). In

addition, no exemption for remodeling of a particular building may extend beyond the fifteen (15) year exemption term for construction of that building. Although exemption under this Agreement for any separately identifiable real property improvement lasts for only fifteen (15) years at the most, the real property exemption period for the Project as a whole is expected to last more than fifteen (15) years. The exemptions set forth in this Section shall apply irrespective of whether the real property is owned by an Owner, or, in accordance with Section 16 of this Agreement, Section 20 of this Agreement, or both Sections 16 and 20 of this Agreement, by another entity or other entities.

**7. Application for Exemption.** The Owners acknowledge that the tax exemption with respect to each real property improvement is subject to the filing of a real property tax exemption application with the Housing Officer designated by the Village for the CRA, following the completion of construction of that real property improvement. The Village agrees that upon receipt of the real property tax exemption application, the Housing Officer shall promptly certify the tax exemption to the Pickaway County Auditor.

**8. Payment of Non-Exempt Taxes.** Each Owner shall pay such real property taxes as are not exempted under this Agreement or otherwise exempted and are charged against such Owner's property and shall file all tax reports and returns as required by law in connection therewith. If an Owner fails to pay such taxes or file such returns and reports, and such failure is not corrected within thirty (30) days of written notice thereof to such Owner, all exemptions from taxation granted under this Agreement with respect to property of such Owner are rescinded beginning with the year for which such unpaid taxes are charged or such unfiled reports or returns are required to be filed and thereafter. Any such rescission, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such defaulting Owner(s). Nothing in this Agreement restricts or limits an Owner's right to contest the valuation of a Building or all or any portion of the Project Site under R.C. Sections 5715.13 and 5715.19 or to contest any other Ohio State and local tax matters.

**9. Cooperation of the Village.** The Village shall perform such acts as are reasonably necessary or appropriate to approve, effect, claim, reserve, preserve and maintain the exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions. The Village shall give its fullest cooperation in the development of the Project, including, but not limited to: (i) the review, processing and approval of all building, zoning or other permits, and (ii) all other activities related to the Project.

**10. Revocation of CRA.** If for any reason the Village revokes or purports to revoke the designation of the CRA, entitlements granted under this Agreement shall continue for the number of years specified in this Agreement, unless an Owner materially fails to fulfill its obligations under this Agreement and such failure is not corrected within thirty (30) days of written notice thereof from the Village to such Owner, and consequently, the Village terminates or modifies the exemptions from taxation granted in this Agreement with respect to property of such Owner from the date of the material failure. Any such termination or modification, as provided in this Section, shall have no effect on exemptions from taxation granted in this Agreement with respect to property of Owners other than such defaulting Owner(s). Except for any amendment, revocation, modification, suspension or termination otherwise permitted under this Agreement, the Village

agrees that it will not amend or revoke the CRA designation as to the Project Site, or modify the incentives available under that designation for the Project Site.

**11. Certification as to No Delinquent Taxes.** The Developer hereby certifies for itself that at the time this Agreement is executed, (i) it does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State and does not owe delinquent taxes for which it is liable under Chapter 5733, 5735, 5739, 5741, 5743, 5747, or 5753 of the Revised Code, or, if such delinquent taxes are owed, it is currently paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, (ii) it has not filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., and (iii) no such petition has been filed against it. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes. Each Owner shall make the same certification as that made by the Developer in this Section 11 in any Assignment and Assumption Agreement.

**12. Termination, Suspension or Modification Upon Default.** If an Owner materially fails to fulfill its obligations under this Agreement and such failure is not corrected within thirty (30) days of written notice thereof to such Owner (provided, however, that such opportunity to cure such default shall not, under any circumstance, and notwithstanding anything to the contrary in this agreement, toll or otherwise suspend any obligation of any Owner to pay any non-exempt taxes), or if it has been finally adjudicated that the certification as to delinquent taxes required by this Agreement is fraudulent, the Village may terminate, suspend or modify the exemptions from taxation granted under this Agreement with respect to property of the Owner which is in such default or which has made such fraudulent certification, from the date of the material failure. Any such termination, suspension or modification, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such defaulting Owner(s). Moreover, in recognition of the mutual benefit to be secured from providing exemptions to Owners, which will enable Owners to sell or lease buildings to entities that will cause the creation or retention of employment positions within the Village, the Village shall limit any termination, suspension or modification so as to limit the effect of the termination, suspension or modification to the Owner or entity primarily responsible for the material failure.

**13. Approval by the Village.** The Owners and the Village acknowledge that this Agreement must be approved by formal actions of the legislative authority of the Village as a condition for this Agreement to take effect. This Agreement takes effect upon such approval. Because this Agreement was approved by Ordinance No. 2019-15 of the Council on October 21, 2019, this Agreement shall be effective immediately upon its execution.

**14. Non-Discriminatory Hiring.** By executing this Agreement, the Owners are committing to following non-discriminating hiring practices, acknowledging that no individual may be denied employment solely on the basis of race, religion, sex, disability, color, national origin, or ancestry.

**15. Revocation of Exemptions.** Exemptions from taxation granted under this Agreement shall be revoked with respect to an Owner if it is determined that such violating Owner, any successor enterprise to such violating Owner, or any related member of such violating Owner (as those terms are defined in division (E) of Section 3735.671 of the Ohio Revised Code) has violated

the prohibition against entering into the Agreement under Division (E) of Section 3735.671 or Section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections. Any such revocation, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such violating Owner(s).

**16. Transfer and/or Assignment; Release from Liability.** Except as otherwise provided in this Section 16, this Agreement and the benefits and obligations thereof are not transferable or assignable without the express, written approval of the Village, which approval shall not be unreasonably withheld or delayed. As a condition to the right to receive tax exemptions as set forth in this Agreement, each partial transferee and/or partial assignee of this Agreement and the benefits and obligations thereof (a "Transferee") shall execute and deliver to the Village an Assignment and Assumption Agreement in substantially one of the forms attached hereto as Exhibit C.1 and Exhibit C.2, wherein such Transferee (i) assumes all obligations of the Developer under this Agreement with respect to the Transferred Property (as defined in Exhibits C.1 and C.2) (whether the Transferee received the Transferred Property directly from the Developer or a Successor (as defined in Exhibits C.1 and C.2)), and (ii) certifies to the validity, as to the Transferee, of the representations, warranties and covenants contained herein and in the Assignment and Assumption Agreement. Upon the receipt by the Village of such Assignment and Assumption Agreement, the Village Council shall determine whether the Successor is using or will use the Transferred Property in a manner that is consistent with the Project as described in the Application with respect to the Transferred Property. If the Village Council makes such a positive determination, the Village shall execute the Assignment and Assumption Agreement, and as to the Transferred Property the Transferee shall have all entitlements and rights to tax exemptions, and obligations, as an "Owner" under this Agreement, in the same manner and with like effect as if the Transferee had been the original Developer and a signatory to this Agreement. Notwithstanding the foregoing, by execution of this Agreement, the Village Council hereby approves of the partial assignment of this Agreement to VanTrust Real Estate, LLC or an entity controlling, controlled by, or under common control with it in connection with the proposed purchase of a portion of the Project Site by that entity or its affiliate.

**17. Counterparts.** This Agreement may be signed in one or more counterparts or duplicate signature pages with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument.

**18. Severability; Construction; Headings.** If any provision of this Agreement or the application of any such provision to any such person or any circumstance shall be determined to be invalid or unenforceable, then such determination shall not affect any other provision of this Agreement or the application of such provision to any other person or circumstance, all of which other provisions shall remain in full force and effect. If any provision of this Agreement is capable of two constructions one of which would render the provision valid, then such provision shall have the meaning which renders it valid. The captions and headings in this Agreement are for convenience only and in no way define, limit, prescribe or modify the meaning, scope or intent of any provisions hereof.

**19. Validity.** The Owners covenant and agree that they are prohibited from challenging the validity of this Agreement or the CRA. In that regard, the Owners waive any defects in any proceedings related to the CRA or this Agreement. If the validity of the CRA or this Agreement is challenged by any entity or individual, whether private or public, the Owners shall advocate diligently and in good faith in support of the validity of the CRA and this Agreement.

**20. Modifications.** If, notwithstanding Section 16 of this Agreement, it becomes necessary to modify the terms of this Agreement to reflect the exact legal and financing structure used by the Owners in developing, equipping and operating the Project, the Owners shall request an amendment to this Agreement.

**21. Notices.** Any notices, statements, acknowledgements, consents, approvals, certificates or requests required to be given on behalf of any party to this Agreement shall be made in writing addressed as follows and sent by (i) registered or certified mail, return receipt requested, and shall be deemed delivered when the return receipt is signed, refused or unclaimed, (ii) by nationally recognized overnight delivery courier service and shall be deemed delivered the next business day after acceptance by the courier service with instructions for next-business-day delivery, or (iii) by facsimile transmission and shall be deemed delivered upon receipt of confirmation of transmission:

**22. R.C. Section 9.66 Covenants.** Each of the Owners affirmatively covenants that it has made no false statements to the State or any local political subdivision in the process of obtaining approval of the CRA tax exemptions; and that it does not owe: (i) any delinquent taxes to the State or a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; and (3) any other moneys to the State, a State agency or a political subdivision of the State that are past due, whether the amounts owed are being contested in a court of law or not. If any representative of any of the Owners has knowingly made a false statement to the State or any local political subdivision to obtain the CRA tax exemptions, such Owner shall be required to immediately return all benefits received by it under this Agreement pursuant to R.C. Section 9.66(C)(2) and such Owner shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to R.C. Section 9.66(C)(1). Any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to R.C. Section 2921.13(D)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six (6) months. Any such requirement to return benefits under this Agreement, and/or ineligibility for future economic development assistance, as provided in this Section, shall have no applicability to nor effect on Owners other than such violating Owner(s).

**23. Annual Fee.** The Owners shall pay an annual fee equal to the greater of one percent of the amount of taxes exempted under this Agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to Council once per year for each year this Agreement is effective on July 1<sup>st</sup> of each such year. Fees received by Council shall be deposited in a special fund created by Council on, and shall be used for the purposes set forth in that resolution.

**24. Estoppel Certificate.** Upon request of an Owner, the Village shall execute and deliver to the Owner or any proposed purchaser, mortgagee or lessee a certificate stating: (a) that the Agreement is in full force and effect, if the same is true; (b) that the Owner is not in default under any of the terms, covenants or conditions of the Agreement, or if the Owner is in default, specifying same; and (c) such other matters as the Owner reasonably requests.

**25. Entire Agreement.** This Agreement and the CRA Legislation constitute the entire agreement between the Developer and the Village pertaining to the subject matter contained herein and therein and supersede all other prior or contemporaneous agreements or understandings between the Developer and the Village in connection with such subject matter.

b. Business's reasons for requesting tax incentives (be quantitatively specific as possible)

Within 30 miles of the project are numerous competing sites that offer the same incentives that we are requesting, and without which this investment would not happen. It is critical that these exemptions be assignable by the developer as the market will dictate future tenants and ownership. Without the 15 year, 100% CRA exemption, this project would not be competitive and the investment will not be made.

**PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT**

This PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT (the “Agreement”) is made and entered into by and between the Village of Commercial Point (the “Village”), a political subdivision of the State of Ohio, through the Village of Commercial Point Village Council (the “Council”); \_\_\_\_\_, a \_\_\_\_\_ (the “Company”) and \_\_\_\_\_, a \_\_\_\_\_ (the “Successor”). Except as otherwise provided herein, capitalized terms used herein shall have the same meanings as in the Community Reinvestment Area Agreement between K-Nova LLC (the “Developer”) and the Village, made effective \_\_\_\_\_ (the “CRA Agreement,”) a copy of which is attached hereto as Exhibit A and incorporated herein.

**WITNESSETH:**

**WHEREAS**, pursuant to Ohio Revised Code (“R.C.”) Sections 3735.65 through 3735.70 (the “CRA Act”), the Village, by Ordinance No. 2018-13, adopted by the Council on December 3, 2018 and affirmed by Resolution No. 17-2019 (collectively, the “CRA Legislation”), designated the area specified in the CRA Legislation as the Commercial Point Community Reinvestment Area No. 1 (the “CRA”) and authorized real property tax exemption for the construction of new structures and the remodeling of existing structures in the CRA in accordance with the CRA Act; and

**WHEREAS**, on \_\_\_\_\_, the Company and the Village entered into the CRA Agreement, concerning the development of a commerce center with related site improvements, at the Project Site as defined in the CRA Agreement (as particularly described in Exhibit A to the CRA Agreement); and

**WHEREAS**, the Company intends to convey or has conveyed all or part of the Project Site or a Building at the Project Site (such transferred property, which is described in Exhibit B, may be referred to hereinafter as the “Transferred Property”) to Successor; and

**WHEREAS**, in connection with the conveyance of the Transferred Property by the Company to the Successor, the Successor wishes to obtain the benefits of the CRA Agreement effective on the date of the conveyance of the Transferred Property to the Successor (the “Transfer Date”), and, as agreed in the CRA Agreement, the Village is willing to make these benefits available to the Successor on the terms set forth in the CRA Agreement as long as the Successor executes this Agreement and the Developer acknowledges its continued obligations under the CRA Agreement.

**NOW, THEREFORE**, in consideration of the circumstances described above, the covenants contained in the CRA Agreement, and the benefit to be derived by the Successor from the execution hereof, the parties hereto agree as follows:

1. From and after the Transfer Date, the Company hereby assigns (a) all of the obligations, agreements, covenants and restrictions set forth in the CRA Agreement to be performed and observed by the Owners only with respect to the Transferred Property, and (b) all of the benefits of the CRA Agreement only with respect to the Transferred Property. From and after the Transfer Date, the Successor hereby (i) agrees to be bound by, assume and perform, or ensure the performance of, all of the obligations, agreements, covenants and restrictions set forth in the CRA Agreement to be performed and observed by the Owners with respect to the Transferred Property; and (ii) certifies to the validity, as to the Successor as of the date of this Agreement, of all of the representations, warranties and covenants made by or required of the Owners that are contained in the CRA Agreement. Section 9.66 Covenants”) and Section 23 (“Annual Fee”).

2. From and after the Transfer Date, the Village hereby releases the Developer, its successors and assigns from any and all liability under the CRA Agreement with respect to the Transferred Property, unless any such successors or assigns are the Successor (as defined herein).

3. The Successor further certifies that, as required by R.C.
