WHEREAS, the Village Council is authorized to contract with the Ohio Water Development Authority (“OWDA”) for the financing of waste water management facility projects pursuant to Ohio Revised Code Sections 6121.03 and 6121.04; and

WHEREAS, the Village Council authorized and directed the Mayor, Fiscal Officer, and Village Administrator to apply for a loan from the OWDA for up to and including \$10 million for the expansion of the Village’s wastewater treatment plant via Resolution 50-2022, adopted on December 19, 2022; and

WHEREAS, the OWDA has indicated its willingness to extend a loan to the Village of Commercial Point for the expansion of the Village’s wastewater treatment plant for up to and including \$10 million; and

WHEREAS, to receive final approval for the \$10 million loan from the OWDA for the expansion of the Village’s wastewater treatment plant, the Village Council must authorize the Mayor, Fiscal Officer, and Village Administrator to enter into a Cooperative Agreement on substantially the same terms as the Cooperative Agreement for Construction, Maintenance and Operation of State Water Project or Wastewater Project (“Cooperative Agreement”) as the Agreement attached as Exhibit A to this Resolution; and

WHEREAS, the Village Council wishes to authorize and direct the Mayor, Fiscal Officer, and Village Administrator to enter into said Cooperative Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE VILLAGE OF COMMERCIAL POINT, PICKAWAY COUNTY, OHIO THAT:

SECTION 1. Authorization and Direction to Mayor, Fiscal Officer, and Village Administrator. The Mayor, Fiscal Officer, and Village Administrator are hereby authorized and directed to enter into the Cooperative Agreement for Construction, Maintenance and Operation of State Water Project or Wastewater Project on substantially the same terms and in substantially the same form as Exhibit A to this Resolution, which is incorporated herein by reference, upon formal approval by the OWDA.

SECTION 2. Open Meetings Certification. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Council per the requirements of Ohio Revised Code Section 121.22, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 3. Effective Date; Declaration of Emergency. This Resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety of the Village of Commercial Point because the Village needs access to loan proceeds from the OWDA in order to ensure the timely completion of its Wastewater Treatment Plant Expansion Project and fulfill its responsibilities to provide sanitary sewer service to various residential and commercial developments, and, therefore, this Resolution shall go into immediate effect upon passage.

**COOPERATIVE AGREEMENT FOR CONSTRUCTION, MAINTENANCE
AND OPERATION OF STATE WATER PROJECT OR WASTEWATER PROJECT**

THIS AGREEMENT made and entered into as of the date specified on Schedule I hereto (the "Term Sheet," which is fully incorporated herein and made a part hereof) as the "Agreement Date," by and between the OHIO WATER DEVELOPMENT AUTHORITY, a body corporate and politic organized and existing under the provisions of Chapter 6121 of the Revised Code of Ohio (hereinafter referred to as the "OWDA") and the governmental body specified as the "LGA" on the Term Sheet (hereinafter referred to as the "LGA"), a governmental body organized and existing under the laws of the State of Ohio and acting pursuant to an ordinance or a resolution passed by the legislative authority thereof on the date specified on the Term Sheet as the Resolution Date;

WITNESSETH:

WHEREAS, the OWDA has been created, among other reasons, to carry forward the declared public policy of the State of Ohio to preserve, protect, upgrade, conserve, develop, utilize and manage the water resources of the state, to prevent or abate the pollution of water resources, to promote the beneficial use of waters of the state for the protection and preservation of the comfort, health, safety, convenience, and welfare, and the improvement of the economic and general welfare and employment opportunities of and the creation of jobs for the people of the state, and to assist and cooperate with other governmental agencies in achieving such purposes through the establishment, operation and maintenance of water development projects pursuant to Chapter 6121 of the Revised Code; and

WHEREAS, the water system or wastewater system (hereinafter more fully defined and referred to as the "System") of the LGA will require the supply of services (the "Services") for the treatment and/or transmission of drinking water (in the case of a water project) or for the treatment or disposal of wastewater (in the case of a wastewater project) from the construction, operation and maintenance of new or additional facilities (which facilities are hereinafter referred to as the "Project Facilities"); and

WHEREAS, the LGA is desirous of obtaining the Services for the System in cooperation with the OWDA; and

WHEREAS, the OWDA is willing to cooperate with the LGA in obtaining such Services, and the LGA has given the OWDA reasonable assurances that the LGA will make the payments hereinafter provided for and will fulfill its other obligations hereunder; and

WHEREAS, the OWDA and LGA have determined to enter into this Agreement to set forth their respective obligations with respect to the financing, construction, operation and ownership of the Project Facilities;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the parties hereto do hereby agree as follows:

ARTICLE I - DEFINITIONS

Except where the context clearly indicates otherwise, the following terms as used in this Agreement shall have the meaning ascribed to them in this Article:

DEFINITIONS RELATING TO PHYSICAL FACILITIES

(a) "Approved Application" means the application of the LGA dated as of the date specified on the Term Sheet as the "LGA Application Date," submitted to the OWDA, together with all attachments, supporting documentation, amendments and supplements thereto as approved by the OWDA on the date specified on the Term Sheet as the "OWDA Application Approval Date," together with any amendments thereto approved by the LGA and the OWDA after the date of this Agreement.

(b) "Project Facilities" means the facilities to be constructed pursuant to this Agreement as described generally in Exhibit A attached hereto and made a part hereof and more particularly described in the Approved Application together with any changes therein made pursuant to Article III hereof.

(c) "Project Site" means all land, rights-of-way, property rights, easements, franchise rights or other interests in real estate necessary for the construction and operation of the Project Facilities.

(d) "System" means the facilities of the LGA specified as the "System" on the Term Sheet.

DEFINITIONS RELATING TO COSTS

(e) "Eligible Project Costs" shall include, whether incurred before or after the date of this Agreement (but if incurred prior to the date hereof, subject to the restrictions set forth in the first proviso below), the following costs of the Project Facilities and the Project Site: the purchase price of the Project Site when acquired by purchase, or the value thereof when appropriated as found by the jury, together with the costs of the proceedings and the damages assessed in favor of any owner of the adjoining lands and interests therein, subject to the second proviso set forth below; the cost of demolishing or removing any buildings or structures on the Project Site, including the cost of acquiring any lands to which such buildings or structures may be removed, subject to the second proviso set forth below; the cost of diverting highways, interchange of highways, and access roads to private property, including the cost of easements therefor, subject to the second proviso set forth below; the costs of construction of the Project Facilities including, but not limited to, the cost of all machinery, furnishings and equipment included therein; interest on all funds disbursed by the OWDA (other than funds paid over to the OWDA by the LGA for disbursement by the OWDA) at the Contract Interest Rate from the date of disbursement by the OWDA of each portion thereof pursuant to Section 3.8 hereof to the first day of the January or the July next preceding the commencement of the Contract Period of Years based on the then existing cost allocations; engineering expenses for the Project Facilities including, but not limited to, the cost of preliminary and other surveys, the cost of preparing plans, estimates and specifications, the cost of all necessary soil and other investigations and laboratory testing, and resident engineering and inspection fees; the cost of printing and

publishing the notices and legislation required; legal expenses; administrative expenses of the OWDA in the amount of 0.35% of all Eligible Project Costs other than such administrative expenses, or \$400, whichever is the greater; any obligation for the repayment of borrowed money incurred by the LGA to the OWDA under any Cooperative Agreement for State Planning Project between the LGA and OWDA with respect to the Project Facilities, and any other necessary miscellaneous expenditures; provided, however, that Eligible Project Costs shall include costs incurred prior to the date hereof only if and to the extent that, in the opinion of nationally recognized bond counsel satisfactory to the OWDA, the payment of such costs by the OWDA would not cause the interest on any debt obligations of the OWDA to cease to be excluded from gross income for purposes of federal income taxation; and provided further, however, that Eligible Project Costs shall include costs for the acquisition of real property or interests therein (other than easements) only if the OWDA shall have received from the LGA reasonably sufficient assurances, satisfactory to the OWDA, as to environmental matters related to such real property. Notwithstanding anything contained herein to the contrary, Eligible Project Costs shall not include any commissions, fees and/or expenses which may be owed by the LGA to a broker or finder as a result of or in connection with the OWDA's agreement to pay the Eligible Project Costs to the LGA as provided herein.

DEFINITIONS RELATING TO PARTICIPATION IN COSTS

(f) "Original Loan Amount" means those Eligible Project Costs that are paid with moneys disbursed out of funds of the OWDA, which costs shall in no event exceed the amount specified on the Term Sheet as the "Maximum Original Loan Amount."

(g) "Semiannual Payment Obligation" means the amount payable semiannually by the LGA to amortize the Original Loan Amount over the Contract Period of Years with interest on the outstanding balance of the Original Loan Amount at the Contract Interest Rate. An estimate of the Semiannual Payment Obligation based on the Maximum Original Loan Amount and the Contract Interest Rate is specified on the Term Sheet beneath the Maximum Original Loan Amount.

If the Contract Period of Years commences prior to the final determination of the Original Loan Amount, the Semiannual Payment Obligation shall be based upon the best figures available at the time the computation of each semiannual payment is required to be made. When such final costs are known, the Semiannual Payment Obligation shall be recomputed and the next following semiannual payment shall be either increased or decreased by a factor sufficient to correct for any overpayment or underpayment through the date of such recomputation so that the total amount received by OWDA over the Contract Period of Years will be the same amount as would have been received had the final Original Loan Amount been used in computing the Semiannual Payment Obligation at the commencement of the Contract Period of Years. The interest during construction computed at the Contract Interest Rate shall, however, be computed based on the then existing cost allocations at the time of such computation and shall not be recomputed.

(h) "Contract Interest Rate" means the rate specified as such on the Term Sheet.

(i) "Contract Period of Years" means the period of the Contract Term specified in the Term Sheet, commencing on the date six months prior to the First Payment Date specified in the Term Sheet.

(j) "Default Rate" means a rate equal to the Contract Interest Rate plus three percentage points.

(k) "Pledged Revenues" means the revenues derived by the LGA from the ownership and operation of the System (including, without limitation, any Special Assessment Funds), net of the costs of operating and maintaining the System and paying all amounts required to be paid under any Mortgage, Indenture of Mortgage, Trust Agreement or other instrument heretofore or hereafter entered into by the LGA to secure debt obligations heretofore or hereafter issued or incurred by the LGA for the System.

(l) "Special Assessment Funds" means the proceeds from the special assessments to be hereafter levied, if any, by the LGA to pay all or a portion of the cost of the Project.

ARTICLE II - PROPERTY INTERESTS IN PROJECT SITE AND PROJECT FACILITIES AND RIGHTS OF ACCESS THERETO

Section 2.1. All real estate and interests in real estate and all personal property constituting the Project Facilities and the Project Site shall be acquired by and shall be the property of the LGA.

Section 2.2. The LGA agrees that the OWDA and its duly authorized agents shall have the right at all reasonable times to enter upon the Project Site and Project Facilities and to examine and inspect the same. The LGA further agrees that the OWDA and its duly authorized agents shall have such rights of access to the Project Site and Project Facilities as may be reasonably necessary to enable the OWDA to exercise its rights pursuant to Section 5.8 hereof.

ARTICLE III - ACQUISITION OF PROJECT SITE, CONSTRUCTION OF PROJECT FACILITIES AND PAYMENT OF COSTS THEREOF

Section 3.1. Subject to the terms and conditions of this Agreement, the LGA shall do all things necessary to construct the Project Facilities on the Project Site (which the LGA hereby represents has been acquired by the LGA) by means of the construction contract(s) specified on Exhibit B hereto. The LGA shall use its best efforts to cause the Project Facilities to be fully operational by the date specified on the Term Sheet as the "Operational Date."

In connection with the construction of the Project Facilities, the LGA agrees that:

(a) The construction contract(s) will provide that the representatives of the OWDA will have access to the work whenever it is in preparation or progress and that the contractor will provide proper facilities for such access and inspection.

RESOLUTION 05-2023
Exhibit A (continued)

(b) The construction of the Project Facilities on the Project Site will be performed in compliance with all applicable federal, state and local environmental laws and regulations in effect as of the date hereof.

(c) All laborers and mechanics employed on the Project Facilities shall be paid at the prevailing rates of wages of laborers and mechanics for the class of work called for by the Project Facilities, which wages shall be determined in accordance with the requirements of Chapter 4115, Ohio Revised Code, for determination of prevailing wage rates.

(d) Prior to the commencement of construction, the LGA will arrange and conduct a preconstruction conference to include representatives of the OWDA, the LGA and the consulting or resident engineers of the LGA and each contractor.

(e) Each construction contract and contractor's estimate form will be prepared so that materials and equipment furnished to the LGA may be readily itemized.

(f) All requests submitted by the LGA for the payment or reimbursement of incurred Eligible Project Costs shall include evidence of the costs incurred and will be prepared so that such costs may be readily itemized.

(g) Any change or changes in a construction contract that would increase the contract price by an amount in excess of one percent (1%) or any change or changes regardless of cost that substantially modify the processes contemplated to be performed by the Project Facilities will be submitted to the OWDA for prior approval.

(h) Notification of all change orders not requiring prior approval of the OWDA will be submitted to the OWDA within one (1) month of the time at which they are ordered by the resident or consulting engineer of the LGA.

(i) The construction of the Project Facilities, including the letting of contracts in connection therewith, will conform to applicable requirements of federal, state and local laws, ordinances, rules and regulations.

(j) The LGA will proceed expeditiously with, and complete, the Project Facilities in accordance with the Approved Application and any surveys, plans, profiles, cross sections and specifications or amendments thereto approved by the Director of Environmental Protection of Ohio.

(k) Notwithstanding anything contained herein to the contrary, the obligation of the OWDA to pay Eligible Project Costs pursuant to the terms and conditions of this Agreement shall expire three (3) years from the date hereof. Upon the expiration of the aforesaid period of years, the OWDA shall not be obligated to pay any additional Eligible Project Costs to the LGA hereunder. In the event that the OWDA, in its sole discretion, decides to pay additional Eligible Project Costs after the expiration of its obligation to do so hereunder, it shall so notify the LGA. No such decision by the OWDA to pay any additional Eligible Project Costs hereunder shall be deemed to constitute an extension of its obligation to pay Eligible Project Costs hereunder.
