Additional Conditions: _____

Block Party Rules & Regulations

1. Only Village residents may apply for a Block Party permit.
2. Requests will not be granted for main streets or routes.
3. No intoxicating beverages are permitted on public property.
4. No loud speakers or amplifiers may be used at a sound level so as to cause objection or complaints from area residents and shall be discontinued at 11:00 p.m. Complaints to the Police Department will be directed to the Permit Holder.
5. The applicant is responsible for the placement and removal of the appropriate signs and barricades at each entrance point to the closed street. The signs should be at least 24" X 24" stating, "Street Closed (time) to (time)". The Village will provide barricades/cones for the block party. The barricades/cones will be dropped off at the Permit Holder's address on the Friday before the event and will be picked up on the Monday after the event. Please leave all barricades/cones in a visible location in the Permit Holder's yard so that the Village will see them. These barricades/cones are the only objects to be used to block the street. It is solely the Permit Holder's responsibility for the preservation of these barricades/cones.
6. If the street closing lasts after daylight hours, reflective tape or flashing lights must be used with each barricade.
7. No closing may extend after 12:00 a.m. (midnight).
8. An aisle way must be maintained along the closed street, wide enough to provide access by emergency vehicles. The barricades must be such that they could be easily moved for access by such emergency vehicles. Streets that are closed may not have any heavy tables and/or equipment in the actual street area that would prevent emergency vehicles access to the street.
9. The Permit Holder takes responsibility and ensures that the entire area will be cleaned up immediately following the event.
10. A copy of each approved request will be forwarded to the local Police Chief and Fire Chief.
11. The Mayor may stipulate such other conditions on the approved permit as he deems necessary.
12. The Mayor may revoke an approved permit if it is determined that any of the information contained within the application is false or misrepresented, or if any of the stated rules are not followed.
13. The Permit Holder hereby agrees to save and hold the Village of Commercial Point harmless from any and all liability or damage arising from the permitted activity.

Block Party Application Fee: \$25.00
